

**Diesel Melt**

1-506-375-6608

## Emergency Fast-Acting Anti-Gelling Treatment

- Recommended for fuel that has already gelled
- Breaks down wax and ice allowing fuel to flow again
- Reduces downtime and inconvenience
- Gets you running again in approximately 20 minutes after use

*Reduces  
& downtime  
& inconvenience!*

\*\* Diesel Melt is not used for preventative maintenance.  
For preventative maintenance try 4Plus Artic or Polar Max\*\*

908, Route 590
